KIGALI-RWANDA

Dear Sir,

Re: Clarifications on Mr.Mugisha Alexis and New Request to Hold Party Founding Congress

Reference is made on your letter dated 3rd May 2013, regarding our request to hold the founding congress of the Democratic Green Party of Rwanda on 10th May 2013 at Centre Christus-Remera.

Your Worship, in that letter, it is stated that you received two applications to hold a similar event but on different locations and different dates. Whereas, ours was submitted on 22nd April, the second one from Mugisha Alexis was submitted on 24th April. You therefore, requested us to first sort out issues in our party before seeking permission to hold the party's founding congress.

We would therefore, like to officially inform you, that we have no issues to sort out because, Mr.Mugisha Alexis, voluntarily resigned from the party on 2nd July 2010. Please find his resignation letter attached.

More to that, when we resumed our political activities on 13th September 2012, he was not among the new executive committee members introduced to the public and to members of the media, during our press conference at Hotel Umubano-Kigali. Please find below an official web-link published on 15th September 2012, confirming the new Executive Committee members who are steering the registration process of our party: <http://www.rwandagreendemocrats.org/news/re-launching-party-activities-and-new-executive-committee>. The rest of the members are not yet confirmed because they have not signed anywhere. Therefore, their names have not yet been made public.

Due to those facts mentioned above, we are pleased to once again request you to grant us permission to hold the founding congress of the **Democratic Green Party of Rwanda**, on 21st May 2013 at Centre Christus-Remera.

We would also like to request, the presence of the Public Notary of Gasabo District, to come and witness the official signing of the Party's legal documents.

We shall collaborate with the National Police on matters concerning our security.

We are looking forward to getting a positive response from you soon.

Yours Faithfully

Dr.Frank HABINEZA
Founding Party President
